

NDSP PLAN
MANAGERS

Your guide to plan management with NDSP

Together, **we've got this**

Why choose NDSP Plan Managers?

At NDSP, we help you make sense of your plan, so you can feel confident using it.

You'll have a simple way to track your funding, plus a team who understands the NDIS and is here when you need support. So instead of feeling unsure or overwhelmed, you can focus on what matters most.

We're here to make things easier, clearer and simpler – every step of the way.

Want NDSP to manage your plan?

Ask your NDIS Planner or Local Area Coordinator to include Choice and Control (Plan Management) in your plan.

Not sure if you already have it? We can help you check.

What you can expect with NDSP:

Your invoices are paid quickly and correctly

You can talk to real people who understand the NDIS

You always know where your funding is at

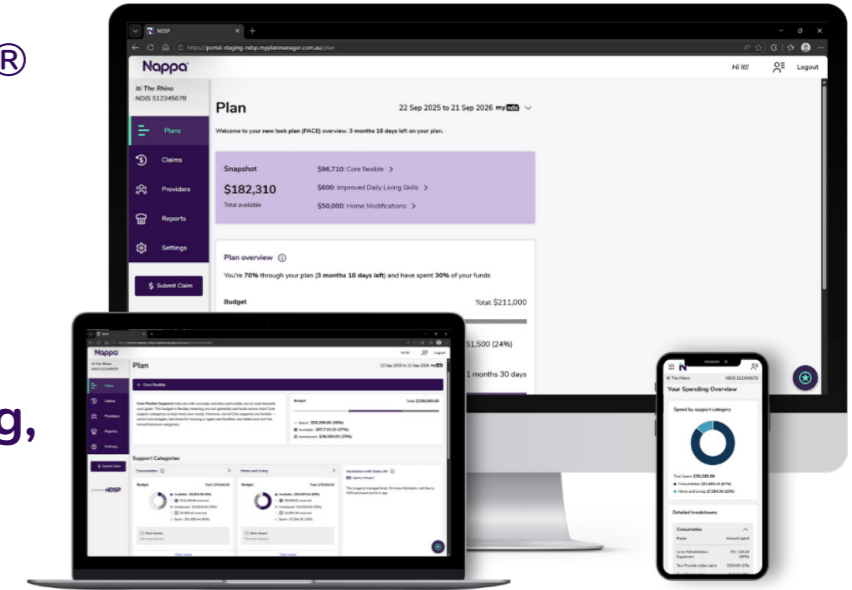

You get support when you need to – no chasing, no confusion

Nappa[®]

powered by NDSP

Stay on top of your funding, without the guesswork

With Nappa you can:

- Track your spending as it happens
- See what's been paid (and what hasn't)
- Upload invoices quickly and securely
- Check your monthly statements anytime
- View a breakdown of your plan budget and funding periods

Supporting participants, families and providers

If you're a Support Coordinator or Authorised Representative, you can easily switch between participants and keep track of multiple plans – all from one dashboard.

More than a plan manager

We're here for more than just invoices. From helping you understand your plan to supporting you along the way, our team is here when you need us. Whether it's answering questions, guiding you through your funding, or helping you find the right supports – you're not doing this alone.

"The staff are so friendly, and when I started the NDIS process it was so overwhelming but they helped me understand everything.

The online portal is so easy to use and it gives me all the information I need! Highly recommend!!"
