

# Switch to NDIS Plan Management in 4 Simple Steps

Lose the overwhelm, feel the relief.

*Switch from Self-Managed or Agency-Managed to Plan Management*

Managing your NDIS funding can feel like a lot. Plan Management is one of the three ways you can manage your plan (alongside Self-Management and Agency-Management), and it's designed to take the pressure off.

## Why Choose NDIS Plan Management with NDSP Plan Managers?

**Less paperwork** - we handle invoices and payments

**More choice** - use both registered and non-registered providers

**More breathing room** - less stress, more time for what matters

## How to switch to plan management

*Making the change is easier than you might think*

### 1 Contact the NDIA

Call 1800 800 110 or email [enquiries@ndis.gov.au](mailto:enquiries@ndis.gov.au).

### 2 Ask for a plan variation

Let them know you'd like to change to Plan Management for easier, stress free funding management.

### 3 Wait for approval

The NDIA will contact you once your request is approved. If you have a PACE plan, you can also nominate NDSP during this call using our PACE Registration Number: **4050019899**.

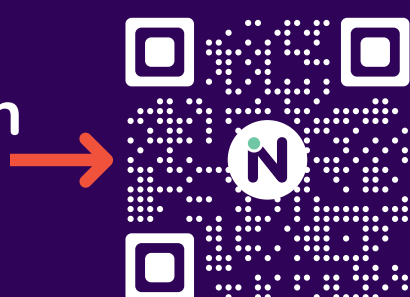

### 4 Join NDSP Plan Managers

Call **1800 63 63 77** or email [info@ndsp.com.au](mailto:info@ndsp.com.au). We'll get you set up quickly so providers can send invoices straight to us.

Together, we've got this.
